## Out of State Consent Form

I am not a licensed dietitian in your state. I am your coach. All advice I give to you during our consultations should be considered general advice and should not replace the advice of a licensed practitioner in your state. For specific questions about your medical health, you must discuss with a licensed provider in your state.

If you understand that advice during my consultations are to be considered general and should not replace medical advice from a licensed practitioner, please agree below
